Subject: Tom's edits on Integration proposal
SMBNEP Source Reduction Proposal 6.13.2017 Final 25kTF.docx

Hi Erica,

Please see attached for our final proposal. Tom accepted all edits and added just one more minor one. It's tracked so you can see what it is. After you accept that change, it's ready to go.

I plan to create a internal working budget for this work. Is this something you need to see as well?

Thanks so much! Hope you had a lovely weekend.

Best,
